

15 December 2011

Dear Dawn and Food4Africa UK

We would like to take this opportunity as 2011 draws to a close and once again Christmas is upon us, to say a very big and heartfelt Thank You!

Your support to Two Tunics and all its partner projects has been invaluable and so greatly appreciated by all those who receive the benefit of it. The porridge and lunch meals have been a great source of nutrition to the children in our partner crèches and feeding schemes. We have seen a noticeable difference over the course of the year in the children's health and growth from when they start these meals.

Other generous donations like toys, clothes, blankets, and so much more have been received with such gratitude by the communities. The children take great pleasure and joy in the toys, and the clothes and blankets have helped so many children in keeping warm through the winter.

Sponsors of seeds and vegetables have seen the start of communities coming together to start vegetable gardens, and families working together to grow their own vegetables and so be able to provide a stable, and healthy, source of food.

Sponsorship of children has assisted many children in 2011 to be able to attend school and continue with their education and their goals and dreams to reach higher.

For all this we Thank You! You truly are a blessing to us all, most especially the children and the tireless men and women who work with them everyday, giving of themselves for the betterment of their communities.

May God be with you and your families this Christmas Season.

With grateful hearts and much love,

The Two Tunics Team; Debbie Siyangaphi, Kirsty Jones, and Sister Dominica Msomi
