

Welcome to

Did You Know...Southern Africa has the largest number of orphans in the world. They need a chance to reach their teens and beyond with improved quality of life and hope. Our feeding programme is making this happen...

Food4Africa UK is a Scottish charity which raises awareness of the needs of orphans in Southern Africa's most needy communities. We also feed children every day a nutritional 'porridge' enriched with 19 vitamins and minerals. One simple meal has extremely positive effects on children by improving their weight gain, brain activity and well-being.

It costs just £3 a month to feed a child. It's simple.

Our message is positive and full of hope, just like children. When their basic needs are met, such as one healthy meal a day given by a caring person, they smile. The more smiles we see, the more we know we are making a difference.

Let's make a difference together!

Charity No: SC037178

We would love to hear from you
